Boort District Health Transport Services

Local Transport Services

Did you know... BDH Home and Community Care Services provide a local transport service for shopping/paying bills in Boort.

This service operates using the hospital car each Friday morning. The car is driven by a volunteer driver. The client specifies pick up times and is transported down the street and home by the volunteer driver for a fee of \$3.00

A second local transport is also provided to transport clients, *who have no other means*, to the local medical clinic for appointments.

The transport can be arranged prior to the day and a volunteer driver will pick up the client and transport them to the clinic. Following the appointment the driver will be contacted to pick up the client and transport them home.

The fee for this service is also \$3.00.

Community Transport For Specialist Medical Appointments

Boort District Health provides a transport service, including car and driver, for specialist medical appointments within a 120 km distance of Boort.

Who can use this service?

This service is available for existing clients or community residents, who meet the criteria and **do not** have family/friends available to accompany them.

All enquiries and bookings for this service should be directed to Maree Stringer at Boort District Health on 54515200.

The fees for this service are \$40.00 for a trip to Bendigo and \$27.00 to Kerang. These fees can often be partly recouped by using the Victorian Patient Transport Assistance Scheme (VPTAS).

This scheme aims to help people in a rural setting overcome some of the financial pressures of having to travel significant distances to access some medical services.

Information and forms regarding VPTAS are available from the Day Centre.

Please ensure bookings are made as soon as details are known.

For more information regarding these services or any other transport issues, please contact:

Biggest Morning Tea Thank you!

Huge thanks to all who came along, baked, helped in the kitchen, gave money, donated prizes and supported our Biggest Morning Tea for the Cancer Council last month.

The total from BRIC was \$2277.80

and from

The Boort Tyre Centre \$1574.65

Giving us a grand total of

\$3852.45!

Magnificent! This is a new record total for Boort;
taking our tally since 1995 to **\$32,367.72**

Very special thanks to Cleo Lanyon for hosting at the Tyre Centre and the following raffle donors; Ian & Marilyn Lanyon, Tammy Boyd, Colleen Slatter, Richelle Mayberry, Helen Streader, Cleo Lanyon, and to the Boort Pre-School class and their teachers for their marvellous fancy dress parade, to Anne, Loretta and the BRIC committee, the Boort Post Office, and St Patrick's Boort, for their continued generous support of such a positive community event. It's a privilege and a joy to host, thank you!

2015 MURRAY-MOYNE WRAP UP

Saturday 28th and Sunday 29th March saw the Boort District Health cycling team completed the 520km cycle relay event raising money for the Urgent Care Centre at Boort District Health (BDH).

Perfect riding conditions greeted the riders for the weekend and plenty of supporters lined the roadsides to cheer them on. The BDH team rode into Boort in first place and were to keep such pace for the entire ride. Never before has the team been stopped on the ride as the gap between the front and back groups were too great. This enabled the Boort team to have a social catch up in both St. Arnaud and Stawell enjoying live music and food.

Boort are very fortunate to have a dedicated support crew who are with them on the road for the entire 520km. This lead to Boort District Health being recognised with the Safe and Courteous Support Crew Award at the completion of the event. The team were presented with a certificate of appreciation.

Many people have helped get this event on the road and the team would especially like to thank all the sponsors, volunteers, family, friends, employees, work colleagues and the many community members who have donated time, money, vehicles, goods, fuel, bought raffle tickets, held events and more in our bid to raise money for BDH. We acknowledge that without your support we would not be able to get out on our bikes and participate in this event.

Over the course of the past six months BDH has been running its major fundraising raffle. On Friday the 15th May, riders and supporters came together for dinner at the Pyramid Hill Hotel to draw the raffle and for a catch-up. After much conversation, good food and refreshing beverages the winners of raffle were drawn (winners listed below).

Approximately \$15000 was raised for the new Urgent Care Centre that will be built as part of the redevelopment of the health service.

Thank you everyone, we look forward to the 30 year anniversary of the Murray – Moyne in 2016. Keep the 2-3rd April 2016 open for another big year of cycling for BDH.

Raffle Winners:

KEN POXON, LEIGH HUTTON, KERRY LANYON, JACQUI VERLEY & RICKY SUTTON

Boort District School News

There have been quite a number of activities happening at Boort District School over the last few weeks.

Unit 1 History Jewish Holocaust Museum excursion

On Monday 4th May, the Unit 1 History class travelled to Melbourne to visit the Jewish Holocaust Museum. After arriving at Flinders Street Station, students made their way to the Roule Galette creperie in Flinders Lane for lunch, which consisted of a great selection of French cuisine.

The group then headed out to Jewish Holocaust Museum in Elsternwick, where they initially viewed a very informative video on the Holocaust and took part in an education session. This was followed by a guided tour of the museum and free time to explore the exhibits. The highlight of the day was certainly spending half an hour listening to the story of John, an 86 year old Polish Holocaust survivor who had lost most of his family at the hands of the Nazis and then managed to survive a range of dangerous situations across Poland and Germany during the war, including being imprisoned at Auschwitz. Students were very fortunate to have the chance to hear John's story and found the experience very valuable and moving.

Congratulations Nathan

On Friday 1st May, Nathan W represented the school in the Loddon Mallee Region Golf Tournament at Rich River Golf Course, Moama. He had a successful day and finished in the top section of golfers to earn himself a place in the State Final on Monday 11th May. Nathan travelled to Endeavour Hills and in windy conditions finished a few shots off gaining a placing overall.. Great work, Nathan.

Cross Country Results

It was great to see the whole school participating in the Cross Country on Wednesday 8th May.

The Age Group Champion in years 5 – 12 were:

Open male – Daniel W 21.26 Open female – Zoe K 16.32

16 years male – Bayley F 20.49 16 years female – Grace F 20.19

14 years male – Rory G and Mitch B 14.33 14 years female – Meg L 17.11

12 years male – Syd E 15.06 12 years female – Sophie C 17.47

P-4 Cross Country Winners

Congratulations to the following students who finished first in their year level:

Finlay, Luke B, Emma M, Lauren, Carissa, Sam B, Isabel, Alex Co, Lachlan and Alice.—pictured right

Peer Support Program

Last week the Peer Support Program began for students in Prep to Year 6.

During peer support sessions Year 6

team leaders run sessions with mixed groups of P-5. Peer Support children will have the opportunity to discuss their personal qualities and strengths to achieve success and can be encouraged to approach future activities optimistically. This program runs once a week for 6 weeks.

Boort Historical Society ANZAC exhibition excursions

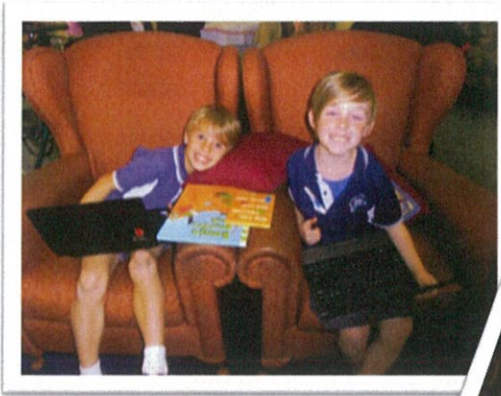

Over the past week a number of Boort District School classes have visited the Boort Historical Society to view the current ANZAC and World War I exhibition. The display was set up as part of the 100th anniversary of the Gallipoli landings. Students were able to view a wide range of artefacts, photographs and documents on World War I, and have also had the opportunity to explore wider aspects of Boort's history. A wonderful collection of pieces from the local area has been put together for the exhibition, and students enjoyed spending time viewing the display, asking questions and listening to speakers from the Historical Society. Staff and students agreed that the exhibition was an excellent resource and congratulate the Historical Society for the work they do maintaining the history of our community.

Boort District School students visit the Boort Hostel

Each Monday a year level from Boort District School make the trek across the road to visit the Hostel residents.

This is the second year the school, along with Dee Smith and Sarah Featherby have liaised to plan and implement this program.

Students read, play small games, participate in craft activities, sing and share work with their friends in the hostel. The children cannot wait to visit and it is the highlight of many residents week.

Boort District School Success at Loddon Mallee Region Cross Country

Fifteen runners represented Boort at the Loddon Mallee Region Cross Country event held in St Arnaud on Tuesday 2nd June, with schools from Bendigo to Mildura competing. The 5 member Senior Boys team made up of Harrison McC (5th overall), Seamus M (8th overall), Nathan W (13th overall), Will G (19th overall) and Conor G (24th overall) were successful in winning the team award for that race, and Bayley F came 2nd in the 16 years boys event. Bayley and the Senior Boys now get the opportunity to compete at the State Championships to be held in Melbourne later this month. Many of the other runners took minutes off their previous times and were happy with their results. Congratulations to all competitors.

Gates Ceremony

It was pleasing to see the support the 'Patch' committee received for the ceremony to commemorate the erection of the memorial gates onto the school grounds. This was an important occasion as it symbolised the merger of the two schools while recognising the history of the old Primary School and its place in the town.

Thank you to Luke Newell, Jo Bear, Kim Potter, Paul Haw, Barry Barnes and Stephen Field (The Patch Committee) for organising the service and Lance Slatter and Cate Burton for their official attendance and support. We must also thank Gerard Stringer from A.L. and N.F. Stringer for powder coating and erecting the gates and Paul Haw for building the pillar for the plaque. Many thanks to the families and community members for coming along on the day.

Wakakirri – It's Happening Soon!

Boort District School's Wakakirri performance is moving ahead fast, with the performance date in Melbourne on Monday 10th August. It will be an evening show with buses transporting students early in the day for rehearsals. The performance will be on stage at The Clocktower Centre in Moonee Ponds, previously the Moonee Ponds Town Hall.

Excursion forms, ticket and bus information for parents, and the structure of the evening, will be sent out to parents right at the start of next Semester, after the holidays.

Some important dates –

- Full dress rehearsal: Friday 31st July at 7.30. Students can stay after school and will be supervised and fed prior to the dress rehearsal. All performers will be given a time to be there.

• Holiday practice sessions: For those that are around, we will be holding two Thursday afternoon rehearsal sessions in the stadium during the school holidays from 12.30pm – 3.00pm, before sports practices.

YOUR LOCAL FOOTBALL CLUB – WHAT’S BEEN HAPPENING!!

The last month has certainly gone fast with half the season now gone. Congratulations to Sam Taylor, Aaron Wilson, “Bunny” and our older heads around the club, in the manner in which they have guided our younger players into senior football this year. It will all click one day and in the next decade, when these bodies mature,

look out if we can get a group of these kids back to the club together. The committee recently discussed the club’s aims – they ranged from providing a physical and social outlet for young men, a focus on fitness and skills, and somewhere that a wide range of community members could socialise. Through Saturday games, Thursday night training sessions, the BFNHC social committee and its functions, and the various events such as finals, Presentation Day, Legends Game and training night trips away, we hope that the club meets these aims. Please talk to a member of the committee if you have any ideas for how else the footy club can develop these aims and links. I

well remember losing our Cricket Club – make sure that you do something to ensure that this doesn’t happen to our football club. Come for a meal on Thursday night, volunteer for a job on Saturday, buy something in the Goods and Service Auction or buy a membership; it all helps to keep the club rolling along!

Some recent highlights – welcome back to Kieren Wilson. It allowed us to have a Wilson – Wilson – Wilson backline for a while. There was a great finish against Charlton, with “Plugger” almost being paid a mark at the end of the game within scoring distance. The colour of Patrick O’Rourke’s ankle was rainbow-like after another Birchip injury – he can miss the next Birchip game! There were some interesting bowling styles on display at Kerang lanes with Aaron Wilson and Justin Mulquiny bouncing a few way halfway up the lanes and possible doing some major damage.

Harry Weaver’s return to the field, and senior football, was also great to see! The reserves win against Wedderburn certainly set the ball night off on a right note!

Off the field, the club had Ray Stomann speak to the players and supporters about the issues of drink driving and underage drinking, especially in relation to the club’s liquor licencing regulations. The club has just finished filling out its Level 3 “Good Sports” monitoring report.

The club takes its responsibility to ensure the safety of its members and those that come into contact with the club very seriously. Smoking, alcohol use and sale, and drug use, are some of the areas that the club has developed policies for.

On the social front, the “Kick-A-Bag” ball was a great night for all that attended. Once again, many thanks to the members of the social committee for putting this together. This followed hot on the heels of the Mystery Bus Trip which rolled through the district. “Karaoke” at ‘The vale’ was a highlight, or lowlight, depending on who you talk to! Over the next month we have the inaugural “Miss Boort” beauty pageant after the Donald game and then the “Goods and Services Auction” on July 18th. This will also be our sponsors day. The committee are looking for any Goods and Services that supporters could donate. Again, please contact a committee member to help out.

Our sponsors for a mention this month are Smith’s Earthmoving, D.A. Electrics and Arnold’s Butchers.

GOLF NEWS

Dates:

Friday 3 rd July	Farmer's Fourball (note change of date)
Tuesday 14 th July	Ladies' Leather Day (part of the Tournament)
Friday 17 th July	Men's Fourball
Saturday 18 th July	Men's Day
Sunday 19 th July	Mixed Day

The ladies Pennant team came home from Birchip all very excited, they won the Pennant with 5 wins, 21.5 games from Charlton 4 wins, 19 games. The team and supporters celebrated with an evening meal at the Korong Vale Hotel. Thank you to all players that helped make up the team. Two very excited people were Pauline Gardner and Kellie Hare who won their 1st Pennant badges. The men's Pennant was not so successful, but we thank those players who participated to represent the Club.

The Ladies Club Championships has been completed, won by Di Johnston 78 + 83 + 84 = 161 with Karen Allison coming second. The B Grade was interesting with Dot Beattie and Phyl Baker commencing the last round even on 197, Marg Nelson 199, Isabel Loader 203. It was a close tussle in the last round with Dot Beattie winning by 4 strokes from Phyl. Congratulations to Di and Dot who go on to play in the Champion of Champions shortly.

The men have started their Championship with some good scores in both A and B grades with the third round being played on Sunday 28th June. This day will be followed by a tea at the Clubhouse at 6:00 pm.

July is a busy month with the Farmer's Fourball on Friday 3rd July. This day is open to both Men and Ladies, come along and see how the golf course is greening up. Then we have the four days of the Tournament, Tuesday 14th – Ladies Leather Day, Friday - Men's Fourball, Saturday – Men's 27 Hole Stroke day and Sunday 19th – Mixed event. Players will be out selling tickets in the Club Course Improvement Fund and 1st Prize is a \$200 voucher from Reilly's Electrical, which will be drawn Sunday after golf.

Thanks to the people out and about on the golf course tiding up, the new flags look good, the sands are good, new sand buckets and the course is greening up nicely, but don't forget there is still lots of work to keep the course in good order so please put your hand up to help.

VICTORIA'S JOURNEY OF REMEMBRANCE

"THE PRESENTATION WAS INVIGORATING AND THOUGHT PROVOKING. IT WAS A CREDIT TO THE ORGANISATION, THE PRESENTERS AND THE PUBLICATIONS WERE WONDERFUL" – RICHARD CLARK, FREEMASONS COSMOPOLITAN LODGE

CURRENTLY TAKING EXPRESSIONS OF INTEREST FOR ROADSHOW BOOKINGS BETWEEN JULY 2015 AND JUNE 2016

As part of the Victorian Government's Anzac Centenary program (2014-2018) a free community roadshow is travelling throughout Victoria. The roadshow includes storytelling, live theatre performances, video, guest speakers and interactive content. Each attendee takes home an Anzac Centenary Commemoration Information Pack, which contains a brief history of Victoria's contribution to the war effort, profiles of Victoria Cross recipients and a small token of remembrance.

Travelling to communities and secondary schools across the state, this free roadshow has been created to educate Victorians about WWI history, encourage them to discover personal connections and inspire them to initiate their own Centenary projects.

If you are interested in hosting a community roadshow, visit <http://anzaccentenary.vic.gov.au/journeyofremembrance/> and fill out the Community Event Expression of Interest Form. Community events run for approximately 75-90 minutes and conclude with the opportunity to share stories with other members from your community and research WWI connections. Please note, you must have a minimum of 50 attendees and provide the venue e.g. Town Hall, Community Centre or RSL Club. Those who have previously hosted a roadshow may apply again.

For further information, please contact journeyofremembrance@dpc.vic.gov.au or call (03) 9651 2023 or (03) 9651 2113

METAL SCULPTURE STRATEGY FOR BOORT

The Boort Development and Boort Tourism groups have formulated a long term strategic approach to capitalise on the great exposure that Star Spanner Sculpture Gardens is providing to Boort and district.

We are extremely fortunate to have John Piccoli at Boort (the Spanner Man), as he is now generating more than 5,000 visitors a year predominantly through word of mouth, with very little if any advertising. His profile has grown dramatically over the last 18 months, so now is an ideal time for Boort to promote itself as a great destination for those interested in world class metal sculpture.

Our strategy is based on:

- ◆ **Boort Sculpture By The Lake competition**, which has become an integral part of both the Boort A&P Show and the Naturally Loddon Festival. Each year this metal sculpture competition has grown, attracting high quality works of art from entrants across Victoria.
- ◆ The winner of the 2013 competition was purchased by Boort Development, and this stunning metal **Dragonfly Sculpture** is now on display in a beautiful wetland setting on the edge of Boort Lake.
- ◆ **Boort Sculpture By The Lake workshops** are now run each year, where a metal sculptor works with volunteers from the community, turning donated scrap metal into wonderful pieces of outdoor art. **Rusty The Redfin** was created in 2014 and he will be installed on the lake edge for public viewing.
- ◆ Placement of the spectacular new **Piccoli Spanner Sculpture** into Nolens Park.
- ◆ Development of a **Metal Sculpture Trail** beginning at Nolens Park and continuing around the lake foreshore, with associated signage.

There is great potential for this world class Metal Art to bring many thousands of visitors to Boort on an ongoing basis, but more than that our strategy aims to keep these increasing numbers of visitors in Boort for longer than just a day trip. We are combining two of the Boort district's greatest attractions – Little Lake Boort and Metal Sculpture. In time this can be a game changer for Boort, as these wonderful metal sculpture assets will assist in stimulating economic activity, that will then flow on to new investment into the town.
