Boort Historical Society Inc. DID YOU KNOW?

100 years ago, in December 1918, Boort Standard,

The Season's Crops - On Monday the first load of wheat for the season was delivered at Boort. It was grown by Mr. W. Osborne and taken delivery of by Mr Geo. Kirkham. The grain -Federation- was of fine sample and the yield is said to be good. General harvest operations are not yet in full swing, but those crops which have been harvested both oats and wheat show an excellent sample and good average result. The storm on Monday however played havoc with the unstripped oats and only about a third of the former yield is being harvested.

Boort School Honors - The senior scholars of the Boort School were very successful at the recent annual examinations. Nine candidates were presented for the merit certificate and eight of these passed fully. The other candidate failed in one subject only, for which she will be given another trial. The successful candidates were Lena Butterworth, Elsie dinner, Madge Gawne, Ross Graham, Florrie Hindson, Ella Pickering, Rene Story and Millie Weatheritt. Sixteen candidates sat for the qualifying examination and thirteen of these passed fully. The scholars who passed were Gertie Baker, Jack Cable, Ethel Day, May Dinner, Dorrie Fairbairn, Ken Graham, Connie Murphy, Mary O'Donohue, Alex Paton, Annie Rye, Alice Rodier, May Weatheritt and Daisy Yole. The school gained additional honors by the fact that Ross Graham won a University High School Scholarship.

Christmastide In Boort - The Christmas holidays passed off pleasantly in Boort. There was the usual busy scene in the streets on Tuesday evening when an eager crowd of shoppers were "laying in" for the festive day, and Santa Claus was quietly bagging his gifts behind the scenes. However, there was no war cloud hovering around this season's festival and everybody was heartened by the early prospect of permanent peace and an early reversion to normal conditions.

Boort Self Defence Group 2018

Our year was another successful one, we had a number of students being promoted 2 ranks. All other students went up at least one Belt. In May we ran an excellent "Ladies Self Defence" day with the aid of Martial Arts master Derek Upward. Over the course of the year we obtained some more equipment, with the "break boards" being a huge hit.

Our presentation night was enjoyed by a good crowd. The highlight was undoubtedly the passing on

of the "Black & White" Belt from Don Cain to Cindy Brown. This Rank is an honorary position held by one member only at a time. This honour reflects dedication to our group and the fostering of Martial Arts in Boort. Don whose love of Martial Arts goes back to his Korean War days. And Cindy who once poured Jackie Chan a beer. Both epitomise the qualities our group is based on.

Effort, encouragement and empathy.

Other awards:

Attendance: Zander family

Senior Student: Kaden Whykes

Thelma Moresi (Skip), Lyn Southwell, Amy Roberts and Patty Saltmarsh made up a composite team in the N.C.B.D. State Fours. They managed to win this and will compete at Regional Level in March.

Members have travelled and supported many tournaments recently - Gill Tweddle winning the spider at Kerang and Phyl Baker winning nearest the ditch at St Arnaud Country Club with one or two members being occasionally lucky in a raffle draw.

The second round has commenced in both Saturday and Mid Week Pennant matches. The ladders in these competitions changing weekly, but the Boort Club is successfully filling teams to compete each week in their pennant.

Boort Men's Shed

Members of the Men's Shed did end the year
With many a project amid much good cheer
Community Service is their calling and pleased to do
While they welcomed new members right on cue

Morning tea and scones go down a treat
At a place where men's health and wellbeing is hard to beat
The members thank everyone for their support and for a reason
So that they can wish one and all a very happy festive season

The members of the Boort Men's Shed celebrated a successful year with a Christmas BBQ on December 20. The Men's Shed completed many projects during the year and contributed to the local community in a variety of ways. The Merry-Go-Round ran throughout the year and was a highlight for the many children who thoroughly enjoyed the thrill of the ride. The members operated the BBQ for the Boort Christmas Street Party and have been active in the local area all year. The members would like to thank all their supporters, both business and community groups for their significant administrative and financial support throughout the year. In particular the members offer their sincere thanks to BRIC, Northern District Health and Boort District Health, with a special mention to students at Boort District School for their ongoing support and generosity. Special thanks to Anne, Loretta and Amanda at BRIC for all the work they do on behalf of the Men's Shed and to Ray Stomann for his tireless work as Treasurer in looking after the Shed's finances. Also, a big thank you to the staff at the Hostel who assist resident members by transporting them to the Shed for a coffee and some convivial company. The Men's Shed held a very successful Open Day in November with over 40 visitors attending who had the opportunity of meeting the members and to view firsthand the many activities and projects the members undertake in the course of the year. As a result, the Men's Shed saw six new members join the Shed and they have been made most welcome. The Men's Shed is a Health and Well-being Centre and prides itself on making all welcome in an atmosphere of friendship and conviviality. The members are rightfully proud of their contribution to the local community and to the wellbeing of the members. The members join together in wishing everyone a safe and happy New Year. Come join us, all are welcome.
