### Boort Hockey Club Tomatoes

Selling boxes of tomatoes picked from the paddocks of generous local growers has become the major fundraiser for the Hockey Club. The first boxes were picked in the early 1990s when there was an abundance of tomatoes grown in the Boort region. The fundraiser has continued every year since thanks to the support of the Boort community.

No doubt there has been thousands of bottles of sauce and chutney made over the years thanks to the efforts of a succession of hockey club members and the generosity of local growers. This year the tradition continues.....

## Sunday 19 January 2020 2<sup>nd</sup> Sunday in Ordinary Time

**Welcome:** This weekend we warmly welcome Fr Jim McKay to East Wimmera Parish and wish him a long and happy time among us.

**St Joseph's Nullawil:** Goodbye St Joseph's! A final Mass at St Joseph's Church will be held at 12:30pm on Sunday 4 April 2020, followed by light luncheon. Enquiries to Kaylene James, mobile : 0428 935 270

**Australia Day Bushfire appeal collection:** Australian Catholic Bishops Conference president Archbishop Mark Coleridge invites all Catholic communities and parishes across the country to take up a special collection at Masses & LWCs on the Australia Day weekend, 26 January, with all funds to be donated to Vinnies' Bushfire Appeal.

**East Wimmera Parish name:** After a recent visit to St Arnaud by the Postulator, the person in charge of investigating Dr Sr Mary Glowrey's Cause for Sainthood, we were advised that in naming the parish we had prematurely anticipated that Mary Glowrey will become a Saint. The Vatican recognises that such reference has been

**ANNIVERSARIES in January:** Bernie Holland, Triss McGrath, Joan Schmidt, Elva Noonan, Lil Fitzpatrick, Ronald Rhook, Maureen Adams, Ray Maynard,

made because of the Parish's historical links with Dr Sr Mary Glowrey and the high regard the local people have for her, but as she is not yet a Blessed or a Saint we may be putting undue pressure on those investigating her cause. We definitely do not want to impede the sainthood process so we have removed all references to Mary Glowrey for the time being and will be referring to our parish as 'East Wimmera Parish' until further notice.

**On line learning:** modules covering OH&S and child safe information are available via the Ballarat Diocese online learning portal. To set up your account and complete modules email the training account administrator Sharyn Simpson, sharyn.simpson@ballarat.catholic.org.au

**Reflection:** The readings for this Sunday give us hope and comfort as we celebrate Jesus Christ's life of service and ministry. This week we especially pray for all those directly affected by the fires and for all those who are donating their time, talents and money to providing a response to the disaster.

# MAYORAL COLUMN

## **On-Farm Emergency Water rebate scheme from Loddon Shire Mayoral Column 30 December 2020**

The Victorian Government is offering a rebate to drought affected farmers who invest in urgently-needed infrastructure that addresses animal welfare needs. The On-Farm Emergency Water Infrastructure Rebate Scheme is now available for the purchase and installation of emergency water infrastructure for livestock. The scheme is available for water infrastructure purchased since 1 July 2018. Eligible farm businesses in Loddon Shire should visit the website <https://www.ruralfinance.com.au/> to find out about applications and eligibility.

## **Get your pig a PIC from Loddon Shire Mayoral Column 30 December 2020**

The Property Identification Code (PIC) is a legal requirement of every property that has livestock. PICs are used for locating properties to provide advice to livestock owners, to help manage animal welfare issues and to assist in the event of emergencies. It would also be used for locating properties and owners that have livestock when an outbreak of a disease that may threaten their enterprise is detected in an area.

The PIC also forms a key part of Victoria's biosecurity system. Victoria is free from devastating diseases such as African swine fever and foot-and-mouth disease and is kept this way through a strong biosecurity system. These diseases would have a devastating impact on pig health and production and contribute to wider economic losses if introduced into our region.

People may not realise that even a pet pig requires a PIC, which is easily obtained through the Agriculture Victoria website <https://bit.ly/35sOWln>.

## **Did you know from Loddon Shire Mayoral Column 30 December 2020**

Heat kills more Australians than any natural disaster and we have endured a lot of very hot days recently.

The Victorian Government advises five tips to survive the heat.

To begin with, plan ahead by scheduling activities in the coolest part of the day. If you have to go out, wear a hat and sunscreen and take a bottle of water with you.

Never leave kids, adults or pets in hot cars. The temperature within a parked car can double within minutes. Check on those who are most at risk – your neighbour living alone, young children, the elderly and people with a medical condition.

Heat can cause illnesses such as heat cramps and heat exhaustion which can lead to the life-threatening condition, heatstroke. Heatstroke is fatal in up to 80% of cases.

For more tips on how to survive the heat, visit: [betterhealth.vic.gov.au/heat](https://betterhealth.vic.gov.au/heat)

## **Celebrate Australia Day from Loddon Shire Mayoral Column 20 January 2020**

Australia Day is a day for all Australians, to reflect on what it means to be Australian, to celebrate contemporary Australia and to acknowledge our history. We respect that not everyone sees Australia Day as an occasion for celebration, but we hope that Australians from all backgrounds can come together and celebrate a day of unity and inclusion. It is an opportunity for greater understanding and reconciliation between our first peoples and non-Aboriginal Australians.

The day includes flag raising ceremonies as well as the announcement and presentation of Australia Day awards, which acknowledge the outstanding contributions made by community members. This is a wonderful recognition of the hard work of those who give so much back to our community.

Australia Day competition entries will be on display at various locations. This year's competition focussed on the theme 'My Favourite Place' and attracted a terrific variety of creative entries for the literature, colouring and photography sections.

Australia Day ambassadors: Dr Norman Eizenberg (Boort and Pyramid Hill), will offer words of inspiration and pride to our local communities and reinforce the diversity of achievements in Australia.
