Australia Day committee EOIs – Boort and Tarnagulla wards

Council is calling for nominations from residents of Boort Ward and Tarnagulla Ward to fill a vacancy on the Loddon Australia Day Committee.

The Loddon Australia Day Committee comprises a community representative from each ward of the Loddon Shire, a Council representative and a Council-appointed administration officer. The position is voluntary.

The committee meets twice each year to select winners of the Loddon Australia Day Awards and judge entries into the Shire-wide Australia Day competitions. Applicants will require a passion for their community, demonstrated experience as a volunteer, good communication skills and an interest in Australia Day in the Loddon Shire.

Applicants must reside in either the Boort Ward or the Tarnagulla Ward of the Loddon Shire and have time available in November and December to critically assess nominations and award entries.

Please forward expressions of interest to Loddon Australia Day Committee, PO Box 21, Wedderburn, 3518 by 20 August 2021.

For further information please contact Robina Little, Administration Officer Australia Day, on 5494 1200 or email australiaday@loddon.vic.gov.au

Rural Financial Counselling Service expands

Rural Financial Counselling Service has expanded its service from Wimmera South West to include North West Victoria.

This new local Rural Financial Counselling Service (RFCS) is called RFCS Victoria West (formerly RFCS Wimmera South West) and includes all of Victoria's west, including Loddon Shire.

RFCS provides counselling, support and information on financial and legal matters for rural farms, businesses and families in need of assistance. They come to you

and work with you as long as needed to get you and your business back on track.

They have a highly qualified team with extensive experience in financial matters relating to rural farming businesses and financial counselling. Counsellors will make phone contact within 24 hours for counselling service that is confidential, discreet, impartial, one-on-one support.

You can contact RFCS Victoria West on 1300 735 578 or visit www.rfcsvictoriawest.com.au

Citizenship ceremony

This morning I had the honour of presiding over a virtual citizenship ceremony. I'd like to congratulate our newest Australian citizens Mr Herbert Apostol and Mrs Karen Apostol, who are originally from the Philippines.

Community Satisfaction Survey

Residents in the Loddon Shire have rated Council's overall performance, its customer service and waste management higher than both the state-wide average and small rural council average.

Council's Local Government Community Satisfaction Survey, conducted by JWS Research, collected responses from 400 residents in Loddon on a range of council services.

Council's overall performance scored 63 this year – up from 61 in 2020. This score is higher than the state-wide average of 61 and the average for small rural councils of 60.

With a score of 74, Council's customer service also rated above the state-wide average (score of 70) and the average for small rural councils (score of 69).

Additionally, Council's waste management (score of 73) performed higher than the state-wide average (69) and the small rural council average (68). This rating for waste management is also up for Council from a score of 69 in 2020.

Other top-performing areas according to residents are appearance of public areas (score of 75), recreational facilities (score of 71), emergency and disaster management (score of 70) and elderly support

Starry Night Debutante Ball

Friday the 20th August was the night when all the stars aligned for the Boort District Health Debutante Ball 2020. The Ball was postponed several times due to COVID19, the latest the day before the Deb! But on Friday night five stunning couples took to the dance floor and presented four beautiful dances to a limited crowd. Under strict COVID regulations, the couples presented their dance set twice to two separate audiences. Although the format was very different to past balls, the couples had a lovely time and shared the night with their family and friends.

The event was live streamed for those who were unable to attend. All proceeds go to Boort District Health.

services (score of 70).

At 61, Council's community decisions also rated higher than the state-wide average and the average for small rural councils, with both scoring 56.

While improving on last year's ratings, the survey also revealed that residents perceive more work needs to be done to improve the condition of our roads.

This includes sealed roads (score of 50, up from 47 in 2020) and unsealed roads (score of 48, up from 44 in 2020). Satisfaction with Council's unsealed roads rated higher than the state-wide average of 45 and small rural councils average with a score of 44.

Having mentioned satisfaction with the sealed roads network, it should be noted that the majority of traffic within the Shire travel on State roads (not Council roads), which can alter the overall perception of the condition of sealed roads within the Shire.

That said, Council is continually striving to ensure more work is done on our roads, and would like to hear from residents regarding road issues to help ensure problems are identified and rectified as soon as possible.

If you do identify an issue with a road, please contact Council's customer service team on 5494 1200 so that the problem can be fixed.

Council infrastructure program adopted

[At its meeting last week, Council adopted the Annual Infrastructure Program for 2021/22, which sets out priority projects over the coming financial year.](#)

The \$3.98 million program includes Council funding as well as Federal Government funding (Roads to Recovery and Local Roads and Community Infrastructure program).

The 2021/22 program includes \$1,067,920 to reseal and final seal approximately 41 kilometres of the sealed road network; \$318,788 for local road gravel resheets and \$146,821 for local road shoulder resheets.

There is also funding of \$699,829 for the renewal of sections of Tandarra-Serpentine Road, Wedderburn-Wedderburn Junction Road, and Prairie Road, and \$100,336 to seal Potters Hill Lane, Market Street and Nixon Street in Inglewood.

Additionally, there is funding of \$150,600 for three projects to improve road safety. These include

removing hazardous trees adjacent to the road shoulder on Dunns Road at Kamarooka North and improving the safety of Lily Street in Bridgewater on the corner before the Laucke Flour Mill.

There is also \$412,816 to replace 460 metres of footpath in Wedderburn and Tarnagulla, and replace a section of kerb and channel in Grant Street, Inglewood.

There is funding of \$281,500 for urban and township drainage projects, including at Korong Vale and Inglewood, and an additional allocation to allow the completion of investigation and design of the Skinners Flat Reservoir dam and spillway restoration.

Funding of \$210,000 has been allocated for box culvert replacement on Gladfield Road, Pyramid Hill and there is \$105,000 for parks and gardens projects, including the replacement of the barbecue and shelter at the Pyramid Hill Lions East Park.

Additionally, there is funding of \$492,376 for a number of building projects, such as renewing septic systems at Tarnagulla and Dingee.

Community grants funding allocated

At its meeting last week, Council also endorsed the allocation of \$61,683 in grants to Group 1 applications under the 2021/22 Loddon Shire Community Grants Scheme.

Twelve applicants received funding, including Boort Angling Club, Boort Lakeside Croquet Club, Boort Memorial Hall Community Asset Committee, Inglewood Riding Club and Campbell's Forest Hall Community Asset Committee.

Other successful funding applicants were the Arnold Cricket Club, Newbridge Recreation Reserve Committee of Management (two projects), Rheola Public Cemetery, Tarnagulla and District Golf Club, Wedderburn Historical Records Museum, and Wedderburn Mechanics and Literary Institute Community Asset Committee.

Group 2 applications are anticipated to be presented to Council for consideration at its August Meeting.

The Loddon Shire Community Grants Scheme started in the 2000/01 financial year to help recreation, sporting and service organisations deliver projects that improve the quality of life for residents. Since the scheme was initiated, Council has invested approximately \$2.69 million, supporting over 700 community-based projects worth more than \$5.49 million.

Projects update

Kerb and channel and footpath works along High Street in Wedderburn are now complete. The works, which took place from near the 24 Karat Café and

Wedderburn Produce and Garden store to the police station corner, included new footpath, kerb and channel, underground drainage and landscaping.

Kerb and channelling and associated works will start this week on Lake View and Andrews Street in Boort. The works are anticipated to be completed by October, weather permitting.

Works to extend the wide seal of Laanecoorie Newbridge Road for approximately three kilometres are also expected to get underway this week. Please note, that the road will be closed, except to local traffic, while works are progressing.

Works to replace Baileys Road Bridge over Bullock Creek in Derby are continuing. The old bridge has been removed and works on the new bridge underway – including the installation of bridge piles. The new bridge is expected to be completed by the end of September.

Upgrade works at the Wedderburn Pioneer Caravan Park, Pyramid Hill Caravan Park and Boort Lakes Holiday Park are nearing completion. The works have included road and drainage works, powerhead upgrades, solar lighting and new amenities blocks.

The final part of the project will be upgrades to three cabins at the Wedderburn Pioneer Caravan Park.

Construction works on new female-friendly change rooms at the Bridgewater Recreation Reserve are progressing, and are anticipated to be completed in October.

Kindergarten enrolments close 31 August

Enrolments for three and four-year-old kindergarten in Loddon Shire are open until the end of this month (Tuesday 31 August).

If your child will be three or four years old by 30 April 2022 and you live in the Loddon Shire, you can enrol your child via the online kindergarten enrolment form. The form is available at:

www.loddon.vic.gov.au/Our-Council/Forms-and-permit-applications/Online-kindergarten-enrolment

If you cannot enrol online or are having trouble, please contact Council's early years team for

assistance on (03) 5494 1201.

Families with children eligible for three-year-old kindergarten have been mailed an information pack that includes instructions on how to enrol, information about the kindergarten in their area, and tips and tricks for preparing for kindergarten.

Staff are also happy to discuss their kindergarten programs or any questions with prospective families.

Unfortunately, current restrictions do not allow for visitors to undertake tours of services. However, when restrictions ease, if families would like to visit a kindergarten, this can be arranged.

If parents have any questions or would like more information regarding a kindergarten, they are encouraged to contact Council's early years team on the number above.

Information regarding kindergartens in Loddon Shire, including enrolment, is also available from www.loddon.vic.gov.au/Our-Services/Services-for-our-younger-residents/Kindergartens

Nominations for Australia Day awards now open

[Nominations for the 2022 Australia Day awards are now open.](#)

Council is receiving nominations for the Citizen of the Year, Young Citizen of the Year, Community Services and Community Group/Event of the Year awards.

These awards celebrate the achievements and contributions made by outstanding members of our community who, through their efforts, make us feel proud to be Australian.

The awards are provided by Loddon Shire Council in conjunction with the Australia Day Council of Victoria.

Nominations are also open for the Community Service Awards. These awards recognise the outstanding contribution to the local community during the current year or noteworthy service to the local community over a number of years.

There is an award for each Council Ward (Boort, Inglewood, Tarnagulla, Terrick and Wedderburn), which will be presented on Australia Day 2022.

Nomination forms and further information is available from: www.loddon.vic.gov.au/Our-Council/Ceremonies/Australia-Day/Australia-Day-awards or by emailing australiaday@loddon.vic.gov.au

Nominations for the awards close on Friday 29 October 2021.

Cross-border permits required

A reminder that residents of cross-border community local government areas, which includes Loddon Shire, are required to obtain a permit to cross between Victoria and state borders.

Cross-border community residents are eligible for a cross-border permit providing you meet the conditions, including travelling for permitted reasons. These reasons include:

Necessary goods and services, including medical care
Care or other compassionate reasons

Work (whether paid or voluntary, including for charitable or religious purposes)

Education (including childcare or early childhood services)

Receiving a COVID-19 vaccination

Organised/community sport and exercise connected to or organised by a club or facility.

Residents can apply for a cross-border permit at the Service Victoria website www.service.vic.gov.au/services/border-permit/home. You can also apply for a permit via the Service Victoria app.

More information for cross-border communities, including permitted reasons to cross the border and other conditions, is available from

www.coronavirus.vic.gov.au/information-cross-border-communities

Fee waiver or reduction policy adopted

At its meeting last month, Council adopted the Fees and Charges – Waiver or Reduction Policy.

Council regularly receives requests from community groups to provide funding support in the form of fee waivers or reductions for a large range of programs, projects, events or initiatives. This policy provides guidance for these types of requests.

The policy applies to any not-for-profit organisation, incorporated association or unincorporated community group which provides a community benefit to Council and wish to apply to have a fee and/or charge waived or reduced. The policy does not apply to Council rates and rebates.

For more information and to access the policy and associated application form please visit

Boort Men's Shed

In between lockdowns the members of the Men's Shed have been active in a range of project work, including the restoration of furniture, some Tonka toys and the cutting of kindling. The members have also been busy restoring some outdoor furniture for the Boort District School. The vegie garden is coming along great and is a credit to all those involved.

The members would like to thank the Boort Sailing Club for its generous and significant donation to the Men's Shed. The members are extremely grateful for the Sailing Club's gift. It will be put to good use in

the purchase of equipment and materials for project work. Many members are actively involved in community work outside the Shed and they are to be complimented on their commitment. Coffee, scones and convivial conversation are going down well and provide a friendly backdrop that enhances the Men's Shed as a health and well-being centre. There are smiles a'plenty and much in the way of mutual support.

The Boort Men's Shed are indebted to BRIC and its staff for their administrative and clerical support. Including, making application for various grants. The members also thank the community and local businesses for their ongoing support.

Regional Victoria in lockdown

As announced by the Premier on Saturday, regional Victoria is now in lockdown until 11.59pm Thursday 2 September.

Due to the lockdown, Council offices remain closed to the public until further notice. You can still call Council on (03) 5494 1200 or email loddon@loddon.vic.gov.au for assistance.

The Loddon Visitor Information Centre is also closed during the lockdown period. Visitor information is available at www.visitloddonvalley.com.au or by calling (03) 5494 1257, Monday to Friday between 9am and 5pm.

A reminder that the lockdown means we must stay at home other than for one of five reasons:
shopping for necessary goods and services
caregiving or compassionate reasons, including medical care or to get a COVID-19 test
exercise (once a day for two hours)
authorised work (with a permit) and permitted study
to get a COVID-19 vaccination (provided the distance travelled, and the time taken is no more than is absolutely necessary)

Victorians may also leave home to visit their intimate partner, their single social bubble buddy, or in an emergency – including those at risk of family violence. Exercise and shopping is limited to five kilometres from your home. If there are no shops in your five-kilometre radius, you can travel to the ones closest to you. Shopping is limited to one person per day, per household. The five-kilometre limit does not apply to care and health care.

Face masks must be worn indoors and outdoors by those aged 12 years and over, whenever you leave your home. The Victorian Government is also recommending that children of primary school age wear facemasks (this is not mandatory).

For full details regarding current restrictions, please visit: www.coronavirus.vic.gov.au/coronavirus-covidsafe-settings

Support for regional businesses during lockdown

The Victorian Government has announced a package of automatic cash grants for regional Victorian businesses following the extension of the lockdown to the whole of the state.

Jointly funded by the Commonwealth and Victorian Governments, the grants will be made automatically without the need for regional businesses to make an application.

The support builds on the package announced on 19

August. The grants include the Business Costs Assistance Program, Licensed Hospitality Venue Fund and COVID-19 Disaster Payments.

Businesses in regional Victoria that do not qualify for this new support and have experienced a reduction in revenue of at least 70 per cent are encouraged to apply for the Small Business COVID Hardship Fund, which provides grants of \$14,000 to successful applicants.

More information about business support programs is available at www.business.vic.gov.au

Regional Growth Summit virtual event

[A free one-day virtual event dedicated to supporting Victorian regional and rural businesses will be held on Wednesday 1 September for this year's Regional Growth Summit.](#)

The Regional Growth Summit will focus on online business and expanding digital knowledge, fostering collaboration and encouraging action in your local business community.

The virtual event will bring together business leaders from across regional, rural and outer metro communities to share stories of inspiration combined with immediate practical actions to help a business grow.

The event will not only share stories of inspiration and change, but is also a chance to meet other regional and rural business owners in interactive workshop and networking sessions.

Another free online event will take place on Monday 6 September for the Victorian Regional Growth Showcase. This virtual half-day event will build awareness and celebrate the key digital and innovation projects happening across Victoria.

eLearning with Agriculture Victoria

Agriculture Victoria has a selection of online courses that can be undertaken at your own pace, at any time and from anywhere with an internet connection.

The department's eLearning site has a range of courses, enabling you to enhance your skills without having to attend an event or workshop in person.

The courses cover a range of subjects: biosecurity, farm and business management, livestock and animals, climate and weather, agriculture recovery, and crops and horticulture.

To access the courses you need to create an account, which will then give you full access and track your progress as you move through the courses.

BOORT GOLF NEWS

Margaret Nelson

Our interrupted Golf Season was back on track and it had been great to have time out in the fresh air playing a sport that is sometimes very good and sometimes can be a little frustrating, but great to be playing golf around a well presented golf course.

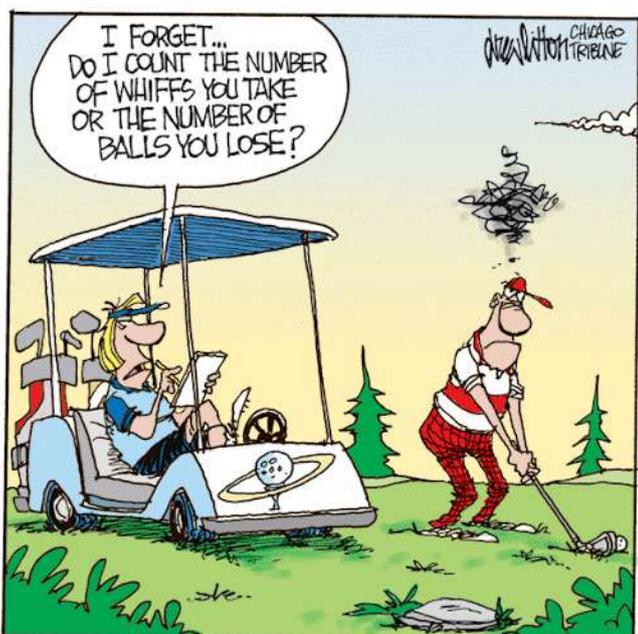

Di Johnston and Gaye Sim represented Boort in the Kara Kara Association Champion of Champions at St Arnaud with Dot Beattie and Julie Wilson their helpful Caddies. Unfortunately this year they were unable

bring the Championship trophies back missing out by small margins.

On Thursday 19/8/2021 it was the Ladies Shield Day at Wedderburn where all Clubs are invited to enter teams of up to 10 players to play in the Kara Kara Association Competitions. Boort entered a team of ladies; Di Johnston, Gaye Sim, Dot Beattie, Lorraine Linehan, Phyl Baker and Margaret Nelson. Wedderburn Ladies won the Scratch Trophy event while Wycheproof Ladies won the Handicap Trophy. The Boort Ladies came home with two trophies with Di Johnston winning the "A" Grade event with 82 and Phyl Baker "B" Grade trophy with 103 on a Count Back.

On Friday 20th August the Boort Golf Club was able to resume their Tournament with the Men's Fourball event. They had players enter the event from Birchip, Mitiamo, Lockington, Pyramid Hill, Korong Vale, Charlton, St Arnaud and Boort. All players appeared to enjoy a day out in good weather conditions. On Saturday 21st, the Men were to have had their 27 Hole Stroke day starting at 9.30 and the Ladies playing 18 Hole Stroke event later in the day. The Men were to play in their Shield Day event at Birchip on Sunday but unfortunately Covid gobbled them up. Let's keep our fingers crossed hoping that we can get a few more rounds of golf in on our well prepared golf course before the season comes to a conclusion.

To the
greater Boort
community

Please accept our many thanks for
all the well wishes in celebrating our
wedding day.

We had such a lovely day and night
filled with fun and love.

We feel fortunate to live within such
a loving community.

Boort Railway Terminus Hotel was built in 1887 the proprietor being T. B. Durham. The Railway Terminus Hotel was destroyed by fire on 23rd June 1914 and was rebuilt in a few months. The new Hotel had 20 bedrooms, 2 sitting rooms, 2 dining rooms, 2 parlours, 2 bathrooms, a kitchen, servery and

scullery, sample room, lounge and large hall, billiard room and balcony. The cost of the building was in the vicinity of £4,500. The licensee not seeing it finished as he died suddenly a week before it was finished, his widow selling the property to Mr J. W. Clement's of Boort in 1915, who applied to the Licensing Courts to have the hotel name changed from the Railway Terminus Hotel to Railway Hotel. 1977 found big renovations with John and Judith Selleck opening the bistro which included the dismantling of the cedar staircase which was built in 1914, with the job being done by "Dickie the Brickie" Charlton. Michelle McGrath opened Totti's restaurant in 1981 in the Victorian Dining Room of the Railway Hotel, opening on Friday and Saturday nights and special functions. Michelle would do prep work but cooking was left to Graham Pattison. 1991 was when a new door was formed at the front of the Hotel by Russell and Robyn Hayes, for an entry to the new TAB facility, part of the bar was transformed for access to computers for customers placing bets with the new system. Video Jungle was opened in a room at the Hotel in 1993, having over 400 titles and Kane Leeds was on hand to help you make a choice.

Stay connected in the digital age with the Loddon Digital Device Loan Scheme

Health
and Human
Services

Goldfields Libraries have partnered with Loddon Shire Council and are excited to offer 11 internet-connected Apple iPad tablets for a FREE 6-month loan.

This scheme is for socially isolated or disadvantaged residents of the Loddon Shire who are currently not connected to the internet at home.

Recipients will be empowered with digital skills training to improve their connection to family, friends and the community during this challenging time. After the initial training we will provide ongoing support and advice to assist with learning.

The iPads will come with an in-built internet connection, useful apps installed, and links to handy websites.

If you, a family member, or a friend would benefit from a loan of one of these devices we would love to hear from you.

Please contact the Community Based Services team at Goldfields Libraries for more information and to register your interest:

Ambulance Victoria

Burns and scalds

Burns and scalds can be caused by friction, heat, sun, chemicals, equipment and fuels.

Burn Categories

Dry/wet burns – flames and scalds

Chemical burns – e.g. acid, alkaline (lime), or organic compounds

Electrical burns

Mouth/throat/inhalation burns

Radiation burns

Molten substances/plastics/metals and bitumen burns

Burn types

There are three levels of burns

Superficial – these burns cause damage to the top (first) layer of skin only. The burn site will be red and painful. Superficial burns require immediate first aid, and not usually treatment by Ambulance Paramedics or the Hospital.

Partial thickness – these burns cause damage to the first and second layers of the skin. The burn site will be red, peeling, blistered, with swelling and clear or yellow (straw) coloured fluid leaking from the skin. The burn site will be very painful. Partial thickness burns require immediate first aid and require urgent medical attention. Call 000.

Full thickness – both first and second skin layers are damaged, plus the tissue underneath. The burn site can look black or charred with white exposed tissue. Very deep burns can also damage the underlying muscle and bone. Because the nerve endings are generally destroyed in full thickness burns, there is often little to no pain at the burn site. However the area surrounding will be very painful. Full thickness burns require immediate first aid and require urgent medical attention. Call 000.

First aid do's and don'ts

Do remove the person from danger and further injury

Do hold the burn under cold running water for 20 minutes. If necessary, prevent heat loss by covering unburnt areas

Do wash chemicals (acids and alkalis) off with running water for 20 minutes

Do - offer pain simple pain relief for superficial burns, dress and regularly review the burn to make sure they have not become infected. **Superficial burns only!**

Do call for an ambulance (000) for all partial and full thickness burns or when breathing is affected.

Don't remove clothing that is stuck to the burn

Don't burst/pop any blisters

Don't allow chemicals to splash onto unaffected skin or other people

Don't apply anything other than water to partial and full thickness burns
