Golf News

Thursday 13th	Women's 4Ball
Friday 14th	Men's 4Ball
Saturday 15th	Men's & Women's Stroke
Sunday 16th	Mixed Event

The Ladies Pennant, now called Mid Week Pennant as the conditions have changed this year. If a club cannot field 5 ladies to make a team, they can include a male player from the club to complete the team. Boort ladies have included a couple of men on some days to be able to field a full team. The last day of Pennant is being played at Birchip on Monday 22nd May with a 19 Hole match in the morning followed by afternoon tea and presentations.

The Ladies Wednesday competition is going well and some of the Singles Knock Out has commenced and with the golf course playing well there will be some good scores. A little Bird told me some interesting golf news, "A lady last Wednesday must be congratulated on a special event, Di Johnston had an Eagle (3 shots) on the Par 5 - 17th Hole when with 2 shots she was on the sand and got her putt an amazing 3. Believed she was able to empty the Eagles Nest of 24 golf balls". Congratulations Di.

The Men on Saturday have been having the usual number of players enjoying golf. Damian Lanyon turned in his best score ever with a 75 off the stick, giving him a nett 64 despite hitting 2 shots out of bounds on the 16th and 17th holes.

A very successful Digger's Day was held on Anzac afternoon when 22 golfers played in a 14 hole event. Playing a team Ambrose Competition the winners were Gillian Tweddle, Stuart Tweddle and Dot Beattie shooting 52 off the stick resulting in a net 44.1. Claiming Nearest the Pin prizes were Di Johnston on the 1st, Phil Baker the 9th and Craig Allison the 15th. In the end the Club was able to raise \$450 for Legacy.

The next week Alan Stringer playing in the Stableford event came in with 36 Stableford points winning the day's Voucher Prize and the following week in the Stroke event 2 players Kevin Linehan and Stuart Tweddle came in nett 71 each so after a count back Kevin won the Voucher Prize.

Ladies Club Championship will commence on 31st May and they will play 3 rounds of golf over 3 weeks and the A and B winners will then play in the K.A.R.A. Championships at Charlton on 29th June. The men will play the 1st round of the Championships 3rd June and they play 4 Stroke rounds and the player with the best 3 rounds counted to be named the winner. This also includes the Weaver Cup.

July is a big month of golf when all the K.A.R.A Tournaments commence.

Boort's Four Day Tournament starting Thursday 13th July Women's Fourball event, Friday 14th Men's Fourball event. On Saturday 15th there are 2 events, Men's 27 Stroke and 18 hole Stroke Events and a Women's 18 Hole Stroke Event. On Sunday 16th Mixed Day when the Nearest the Pin overall will be decided.

Thanks to all who are keeping the golf course in such good condition including the sands which look great, it is much appreciated. all we need is lots more golfers!

Hi!

I have just joined the Community Support team at Northern District Community Health, as a student counsellor, before I graduate. I am able to provide a high level of support, in a safe space that is free of judgement. In this space you are very welcome to share your story and any personal and emotional challenges you may be experiencing.

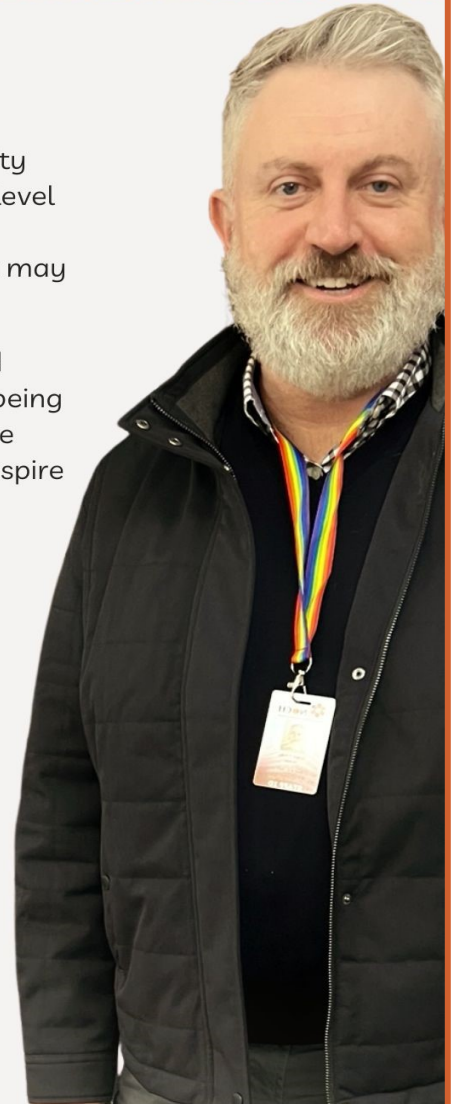

Before retraining to become a counsellor, I worked in schools as a teacher and manager. I had the privilege of helping to support the mental health and wellbeing of young people. I also collaborated with their parents and caregivers to devise ways to support student needs at home. The joy I found in doing this helped inspire my career change.

I grew up in regional NSW, and while I have given city life a go, I have learnt that living in regional Victoria is the right fit for me.

I like to think that I'm a good listener and collaborator; I was as a teacher, and will continue to do so as a counsellor. If you would like support in achieving your goals and are 18+ then please get in contact. These goals may include things like exploring how to manage stress, relationship issues (for example, developing strategies, as a parent, to support students in your life), or finding ways to overcome feelings of loneliness. I can also collaborate with you to help strengthen your sense of self, or find ways to improve your mental health.

If you feel like I could be of help, then please get in contact with NDCH to see if I am the right fit for you.

Boort District Health Auxiliary & Op Shop

Why we do what we do.....

Our local Op Shop staff and Auxiliary work very hard to raise money so we can purchase items and donate money to our local hospital, Boort District Health.

Many people wouldn't realise just how much we do donate, so here is a list of just some of the things we have donated money for or purchased for the hospital in the just the last 10 years of our nearly 40 years support.

Slit Lamp Harness	Step Ladder	10 x over bed tables

7 new acute beds (approx. \$35,000)

2 x day beds (\$8500)

Electronic Tagging machine (\$5,391)

Compactor – mobile storage units (\$18,252)

The items in **bold** we have brought in the last eight months.

If you have three hours per month to do a shift in our Op Shop we would love to hear from you. We all benefit from the volunteer work we do at the Op Shop through our hospital. As always, we thank you our community, for your donations and purchases for and from our Op Shop, without your support we wouldn't be able to do what we do.

Upcoming Council Meeting

Council's June meeting will be held Tuesday 27 June at 3pm in the Loddon Shire Council Chambers, located behind the Wedderburn Council Office, off Peters Street.

You can also watch the Council meeting live via Council's Facebook page at www.facebook.com/LoddonShire

Some of the items on the agenda include Adoption of the 2023/24 Budget and Fees and Charges Schedule, Delegation Review and the Annual Infrastructure Program 2023/2024.

National General Assembly

Last week (Wednesday 16 to Friday 18 June), saw local government leaders from around Australia gather in Canberra for the National General Assembly (NGA) and Australian Council of Local Government (ACLG).

NGA is the largest national gathering of democratically elected representatives in the nation and ACLG is the national voice of local government.

I was fortunate enough to attend this year's assembly along with Cr Holt, Cr Jungwirth and Cr Murphy (Virtually), as well as Council's CEO Lincoln Fitzgerald.

There were around 1,000 delegates and federal members of parliament in attendance. Among them was Minister for Infrastructure, Transport, Regional Development and Local Government Catherine King, ALGA President Cr Linda Scott, and Coordinator – General, National Emergency Management Agency Brendan Moon.

The Assembly heard from a number of speakers, including Ambassador of Ukraine, His Excellency Vasyl Myroshnychenko and discussed the global challenges to democracy and the critical importance of local government. Other critical issues addressed included migration between cities and regions, housing affordability and the role councils can play in social housing, critical workforce challenges, cyclones, fire and floods and cyber security.

The NGA also includes a number of motions put up by councils and voted on by attending council delegates. Motions that are passed then help inform the advocacy of ACLG during the coming year. Cr Holt, who is Council's Municipal Association of Victoria representative, was the voting delegate for Loddon Shire.

Do you want to reduce energy costs and improve your energy efficiency?

Learn from seven Victorian farmers who have made smart on-farm energy decisions and the benefits they found by investing in new efficient technology.

Agriculture Victoria Farm Business Economist, Julie Harman said the case studies are now available online as part of the Agriculture Energy Investment Plan.

'The economic case studies consider benefits such as energy savings and co-benefits such as labour productivity, on farms across a range of agriculture industries,' she said.

The seven case studies look at:

- ◆ solar panels and battery storage
- ◆ improving greenhouse insulation
- ◆ energy efficiency for croppers with chaser bins and belt shifter improvements
- ◆ gains for grape growers to improve yield and quality
- ◆ rapid chiller in a dairy farm lowering costs
- ◆ rooftop solar panels and solar water pumps

Ms Harman said if people prefer to listen rather than read they can tune into a podcast with Tony McCarthy, who is one of the farmers from the case studies.

'Tony arrived in Australia with just a backpack and has since been focusing on building up his business from scratch of which energy management has and is an important part.

'An energy audit undertaken through the Agriculture Energy Investment Plan was a big leg up for Tony in identifying energy savings,' she said.

Listen to the podcast here: <https://extensionaus.com.au/energysmartfarming/economics-of-implementing-energy-tech/>

Ms Harman said the case studies, podcasts and other materials are part of the Energy Smart Farming community which brings together farm energy experts including farmers, service providers, advisors, researchers and community advocates to share energy knowledge, research and solutions to help make Australian farming more profitable.

Find the case studies and more about efficient and renewable energy technologies that improve farm productivity and resilience at <https://extensionaus.com.au/energysmartfarming/on-farm-energy-efficiency-and-cost-savings/>

Monthly Biosecurity E-Newsletter

Agriculture Victoria has launched a new monthly biosecurity e-newsletter that will serve as the key hub for all biosecurity updates, featuring a diverse range of biosecurity-related content including new developments in the emergency animal disease (EAD) space.

Victorian Biosecurity Matters will pool together all Agriculture Victoria biosecurity content into one monthly e-newsletter and become a source that farmers, small landholders, animal owners, and veterinarians can rely on in the event of an emergency animal disease outbreak.

Profiles and success stories from within the industry will be featured to provide readers with valuable insights into the challenges and opportunities that exist within the world of agriculture, while also giving them an opportunity to learn from the experiences of others.

Whether you're a seasoned professional, or just starting out, Victorian Biosecurity Matters has something for everyone.

For more information or to subscribe to the free newsletter, visit: <https://agriculture.vic.gov.au/support-and-resources/newsletters/victorian-biosecurity-matters>

BULOKE LODDON

Mentors Wanted

Would you like to help young people learn to drive?
Do you have at least two hours per fortnight to spare
on a regular basis? Are you over 21 years old?
Do you hold a full current driver's licence?

The Buloke Loddon L2P program matches volunteer driver mentors to young learner drivers to assist them in gaining on the road driving experience in a vehicle that is provided through the program - all we need is your time (and interest). Training and support will be provided.

If you are interested, please email
l2p@ncllen.org.au or contact the
North Central LLEN on 5491 1144.
