Biggest Morning Tea

2023

Make time for the things that put a smile on your face and boost your energy

B.R.I.C'S BIGGEST MORNING TEA

This year marked 30 years of Australia's Biggest Morning Tea and all I can say is WOW!

We had a room full of people enjoying the wonderful treats that were kindly bought along to share, as well as door prizes, a lucky seat prize, a silent auction, along with many raffles and games.

We hope it was a lot of fun for everyone, we certainly enjoyed ourselves!

I would like to say a big *thank you* to Marg Piccoli, who was our MC for the day and did a fantastic job!

We had Donna Doyle come in and speak about cancer and how it has affected her personally, and assured people there is support at the Boort District Hospital before, during and after any diagnosis.

The Kinder Kids did a walk-through wearing their costumes for Book Week. They looked awesome!

I had some amazing helpers before, during and after the event. Gail Armstrong, Tamara Perryman, Chloe Derks and Marj Potter. I could not have produced such a wonderful morning without their help.

I would like to say a big *thank you* to the people who helped in the kitchen on the day doing everything from arranging food to washing dishes. You all helped make the day much easier.

When I asked the businesses of Boort to contribute to our raffles I had no idea what to expect, but I was so overwhelmed with the donations that we received! We had a total of 26 businesses donate items for our raffles so I would like to say a big *thank you* to them all for contributing. Thanks to their generosity we were able to offer wonderful prizes in our many raffles and raise over \$2,000 dollars!

Last but not at all least, *thank you* to all the people of Boort who came along and participated on the day and supported this event! Without you we would have an empty room and no money being donated, so we thank you for your support and hope that you had a wonderful day celebrating with us!

Bronwyn Camm, Co-Ordinator, Boort Resource And Information Centre

B.R.I.C would like to say a big THANK YOU to all of our generous donors towards our

Boort Lakeside Croquet Club

At the Annual General Meeting of the Boort Lakeside Croquet Club President Carmel Allison reported on another successful year.

Among the social events held were a “come and try day”, a visit from Euroa Croquet Club, night croquet on Good Friday with the Tennis Club, Friday night social night with Charlton and Swan Hill, our Christmas Breakup, visits from Charlton and Boort Schools and even a “hens” afternoon.

Treasurer Joy De Piazza, President Carmel Allison and Secretary Wendy Mills

Improvements made by the club during the year include a new ride on mower, insulation, a drinks fridge, bird scarers and an air conditioner. We also received a grant which enabled us to buy new club shirts for our members.

The Golf Croquet tournament was a financial success with 52 players from 19 clubs attending.

The Boort Blue Golf Croquet team won the Murray Valley Association Pennant with Boort White second. Our Club Golf Croquet champions, Ian Potter and Wendy Mills, with Carmel Allison substituting for

Richard Lanyon, went on to play at the Murray Valley playoffs, where Carmel won her section but was unable to compete at the Regional Championships in Melbourne. Ian Potter, Gaye Sim and Kerry Lanyon represented us at Association Croquet in the Mussay Valley play offs.

The current executive position holders were re-elected for another term, and the Champions' trophies were presented.

Level 1 Champion – Ian Potter

Level 2 Champion – Richard Lanyon

Level 3 Champion – Wendy Mills

Sunday 28th May Social Golf
Friday 30th Farmer's Fourball

July

Thursday 13th Women's 4Ball
Friday 14th Men's 4Ball
Saturday 15th Men's & Women's Stroke
Sunday 16th Mixed Event

The Ladies Pennant is now called Mid Week Pennant as the conditions have changed this year. If a club cannot field 5 ladies to make a team, they can include a male player from the club to complete the team. Boort ladies have included a couple of men on some days to be able to field a full team. The last day of Pennant is being played at Birchip on Monday the 22nd of May with a 19 Hole match in the morning followed by afternoon tea and presentations.

The ladies Wednesday competition is going well and some of the Singles Knock Out has commenced, hopefully with the golf course playing well there will be some good scores. A little bird told me some interesting golf news, "a lady last Wednesday must be congratulated on a special event; Di Johnston had an Eagle (3 shots) on the Par 5 - 17th hole when with 2 shots she was on the sand and got her putt an amazing 3. Believed she was able to empty the Eagles Nest of 24 golf balls". Congratulations Di!

The Men on Saturday have been having the usual number of players enjoying golf. Damian Lanyon turned in his best score ever with a 75 off the stick, giving him a nett 64 despite hitting 2 shots out of bounds on the 16th and 17th holes. A very successful Digger's Day was held on Anzac afternoon when 22 golfers played in a 14 hole event. Playing a team Ambrose Competition the winners were Gillian Tweddle, Stuart Tweddle and Dot Beattie shooting 52 off the stick resulting in a net 44.1. Claiming Nearest The Pin prizes were Di Johnston on the 1st, Phil Baker the 9th and Craig Allison the 15th. In the end the Club was able to raise \$450 for Legacy.

The next week Alan Stringer playing in the Stableford event came in with 36 Stableford points winning the days voucher prize and the following week in the Stroke event 2 players Kevin Linehan and Stuart Tweddle came in Nett 71 each so after a count back Kevin won the Voucher Prize.

Ladies Club Championship will commence on the 31st of May and they will play 3 rounds of golf over 3 weeks and the A and B. winners will then play in the K.A.R.A. Championships at Charlton on the 29th of June. The men will play the 1st round of the Championships on the 3rd of June and they play 4 Stroke rounds and the player with the best 3 rounds counted to be named the winner. This also includes the Weaver Cup.

Farmer's Fourball this event is 4BBB on Friday the 30th of June and is a golf day with Men's and Ladies Events, including any non golfer. We would like names in by 11.00 am sharp and hit off at 11.30 am, followed by afternoon tea. For early entires, please call President Stuart Tweddle on 0413 482 385.

July is a big month of golf when all the K.A.R.A Tournaments commence. Boort's four day Tournament, starting on Thursday the 13th of July with the Women's Fourball event, followed on Friday the 14th with the Men's Fourball event. On Saturday the 15th there are 2 events: the Men's 27 Stroke and 18 hole Stroke Events and a Women's 18 Hole Stroke Event. On Sunday the 16th there will be a mixed day when the Nearest The Pin overall will be decided.

Thanks to all who keep the Golf Course in such good condition including the sands which look great, it is much appreciated. All we need is lots more Golfers!

For information about club events please contact: Andrew Kane 0428 378 738 or Dianne Johnston 0427 434 625

National Reconciliation Week

National Reconciliation Week (27 May to 3 June) is an opportunity to learn about our shared histories, cultures and achievements.

We acknowledge the Traditional Custodians of the land comprising the Loddon Shire area on which we live and work, the Dja Dja Wurrung and Barapa Barapa peoples. We pay our respect to the Elders of these communities past and present.

Canberra advocacy trip

Recently, I had the privilege of representing Loddon Shire by travelling to Canberra alongside the Murray River Group of Councils (MRGC). Our goal was to discuss a number of regional issues that affect our Shire with Members of Parliament.

The days included meetings with:

Hon David Littleproud, Leader of the Nationals

Hon Kristy McBain MP, Minister for Regional Development

Senator Perin Davey, Shadow Minister for Water and Emergency Management

Dr Rina Bruinsima, Deputy Coordinator General

Dr Anne Webster MP, Member for Mallee

Sam Birrell MP, Member for Nicholls

Andrew McConville, CEO Murray Darling Basin Authority

Daniel Mulino, House Economics Committee

Jessica Mitchell, Deputy Chief Of Staff to Senator the Hon Murray Watt, Minister for Agriculture and Emergency Services

Warren Tugg, Advisor to the Hon Ed Husic MP, Minister for Science and Industry

It was imperative for us to engage in meaningful conversations about emergency management. By voicing our concerns directly, we aimed to ensure that our Shire receives the necessary support and resources.

While in Canberra, we also had the opportunity to connect with The Hon Chris Bowen MP, Minister for Energy regarding AEMO VNI West project, and raise our concerns around not utilising the Murray River Renewable Energy Zone. We also met with the Hon Tanya Plibersek MP, Minister for Environment and Water, and had discussions around the Murray Darling Basin, and the impacts of further water buy backs.

One of the strong messages is that we want to make our voices heard, ensuring we are an active part of the decision making process. We refuse to be railroaded when it comes to essential matters concerning water, energy or planning. We want to reconnect our communities and make sure they are not forgotten.

Overall, I am pleased to report that our trip was productive, and

we received a positive response from Federal Members of Parliament and advisors that we met with. They expressed a genuine interest in our concerns and assured us of their commitment to supporting our Shire. We will continue to engage with our elected representatives to ensure that our priorities remain at the forefront of their agenda.

The Murray River Group of Councils includes Loddon Shire, as well as Mildura Rural City, Swan Hill Rural City, Gannawarra Shire, Campaspe Shire and Moira Shire councils.

Online networking session for local community hall committees

Providing an environment that fosters connection, collaboration, and inspiration, this FREE online networking opportunity is for those who serve on local community hall committees across Victoria.

This month's discussion topic is: Raising Funds and Finding Grants

Date: Tuesday 6 June 2023

Time: 12.00pm to 1.00pm

Operating and maintaining a hall on behalf of your local community obviously requires money to undertake many of your tasks - even the most basic.

Whether it's paying the insurance, keeping the lights on, replacing the roof, or any of the myriad of things in between, most of our responsibilities require funds.

So what does your hall do to source the dollars you need? How do you budget for the things you need to fund?

To register for the online networking session visit <https://events.humanitix.com/networking-lunch-for-halls-committees-june-2023/tickets>

May Council Meeting outcomes

Quarterly reports for Local Laws and Planning Compliance and Road Management Plan Defect Rectification Compliance were received and noted by Council at its May Council meeting.

As outlined in the Road Management Plan (RMP) Defect Rectification Compliance report, Council's road network is continuing to be assessed for flood damage with two roads still closed.

In accordance with Council's RMP, on 18 October 2022 the Plan was suspended under the exceptional circumstances clause as it was taking longer than usual for issues to be fixed on Council's road network due to the flood damage.

Routine maintenance inspections, previously on hold so staff could gather information for flood damage repair funding, have now resumed.

The extent of the impact on Council's ability to return to normal levels of road maintenance is still being assessed. In the meantime Council will maintain the network as safe as reasonably possible given the circumstances.

At the meeting, Council also:

- * Approved the Audit and Risk Committee Charter 23-25.
- * Authorised the Chief Executive Officer to enter into a new agreement with the Goldfields Library Corporation.
- * Received and noted three Audit and Risk Committee documents being the Annual Performance Assessment (Survey) Report 2022-2023, Biannual Report – May 2023, and 1 May 2023 meeting Minutes.

Council considered one confidential report, the sale of a number of properties for rate recovery under section 181 of the Local Government Act 1989.

To view the Council agenda and minutes visit www.loddon.vic.gov.au/Our-Council/Agendas-and-minutes/Agendas-and-minutes-2023

The recording of the meeting is available via Council's Facebook page www.facebook.com/LoddonShire

The next Council meeting will be held on Tuesday 27 June in the Loddon Shire Council Chambers, located behind the Wedderburn Council Offices (off Peters Street). The meeting will also be streamed on Council's Facebook page.

Mentors Wanted

Would you like to help young people learn to drive?
Do you have at least two hours per fortnight to spare?

Are you over 21 years old?
Do you hold a full current driver's licence?

The Buloke Loddon L2P program matches volunteer driver mentors to young learner drivers to assist them in gaining on the road driving experience in a vehicle that is provided through the program - all we need is your time (and interest).

If you are interested, please email l2p@ncllen.org.au or contact the North Central LLEN on 5491 1144.

Keep your recycling loose.

By putting your recycling in the bin loose and not in a plastic bag, it can be turned into new things like park benches and tables.

A small act makes a big impact.
