Boort Golf News

The ladies Wednesday golf has seen keen competition between the ladies playing in the Club Championship, which has been held over 3 rounds of golf during the month of June. The last round of the Championship was held on Wednesday, with the winner in B-Grade being Sally Keeble, just 2 strokes ahead of Lorraine Linehan in second place.

The A-Grade was won by Di Johnston with Gaye Sim as runner-up. The 2 champions will play in the Kara-Kara Champions of Champions which will be held on Thursday the 29th of June over 18 holes at Charlton.

This was played in conjunction with the Shield and Association Events at Charlton and extra club members will be travelling to Charlton to make a team for these golfing events.

This week saw the last round of the Men's Club Championships and it was great to see 13 members battle it out across two grades in difficult conditions after more soaking rain during the week. In the A-Grade, Andrew Kane had his best round for the year with 4-under off the stick to register a nett 68, three ahead of Robert Johnston on 71, with Craig Allison a further two behind on 73. In the B-Grade, Grant Tooth racked up his first win of the year with nett 70, three clear of Graeme Ball.

In the Nearest The Pins, Kevin Linehan continued his dominance of the novelty events claiming two more while Andrew and Johnno won one each.

In the club Championships Andrew took out the A-Grade ahead of Stuart Tweddle and Tim Lanyon, while Robert Johnston won the B-Grade, successfully fending off Alister McDougal and Kevin Linehan. In the Weaver Cup, Time Lanyon's consistency earned him the trophy, with Stuart in second and Kevin coming third. Following the results of presentation, players and guests then enjoyed the traditional Pizza Night.

The **Annual Farmer's 4Ball** event on Friday the 30th of June, sponsored by Nutrien Ag, was a great turnout of 36 golfers. In the women's event, locals Gaye Sim and Di Johnston with 33 points won a countback from Beth Thompson and Julie McClennan from Wycheproof.

In the men's event, Mark Perryman and Adam Potter had a brilliant 48 points, five clear of runners-up Damian Lanyon and Paul Harris, with Kelvin Mayberry and Craig Allison coming third with 41 points. In the Nearest The Pins on the Par 3's, Gary Lake and Glen Bartels, both from Barham, took home a prize each, as did Lorraine Linehan while the closest 2 shots on the 18 was Harvey Poxon who went home with a prize.

Thanks go out to all those who prepared the golf course. It is in great playing condition and looks picture perfect from the road.

At the end of the tournament after the presentations and the fun spinning wheels which Barry Kennedy organized very well, a big thank you goes out to everyone who helped with the organization of the 4 day Tournament, be it with food in the kitchen or the mowing of fairways or tidying the sand greens. With the help of everyone the 93rd Golf Tournament was a success.

The club now gets back to normal golf for some, while some of our golfers will be representing the Boort club at many tournaments in the region. The women will be having Kara-Kara Closing Day in September and the end of the year trip to Barham for our club members will be the 16th of September.

Boort Aerodrome History

Boort is situated in northern Victoria between Melbourne and Mildura in that line of 143.43 Longitude & 36.08 Latitude.

Boort has a population of approx. 800. It is popular for large olive plantations, wheat, sheep, cattle and tomatoes.

Boort Aerodrome was established in early 1981 by Max & Joy Manuel and named Biggin Hill after the famous Biggin Hill Air Base in England during the war.

In May 1981 the first Flyin was staged with 32 aircraft arriving on Sunday, organized by Max & Joy Manuel.

In 1995 Boort Aviation Group was formed by John Norman President and John Bridgewater Secretary, and became branch of the Mid Murray Flying Club.

Then, in early 1997, the Shire and the local community & state government purchased the aerodrome from Max & Joy Manuel.

Later in 1997 the Boort Aerodrome Management Committee was formed with Rob Hosking Secretary and Murray Lanyon Chairman.

We also introduced the Flyin's. There were 178 aircraft that landed and we served 487 meals on Saturday night. The meals consisted of spit roast, Lamb pork beef and vegetables with sweets to follow.

It used to take 2.5 hours to carve and serve the meat between Roy Stomann, Kay Boland, and Ken Loader.

In May 1998 the Aerodrome was officially opened by Dr Golf Letts.

The runway consists of a grass surface which are [280 degrees & 100 degrees] direction, with pilot lights manufactured by Dr John Findlow, with the help of Boort Aviation Group installation.

The club has approx. 25 members.

Since 1942, within 20kms of Boort there have been 78 pilots learning to fly. This was up to November 2008. At this date there are 14 flying.

The Shire in conjunction with the Aerodrome Management Committee built a Pilot lounge. This was finished in July 2008 and was opened on the 3rd of May 2009 at our annual Flyin.

This building serves pilots coming in from far and wide, as well as air ambulance, olive investors and local pilots.

WHOLE LODDON LOVE

LIVE MUSIC FOR FLOOD RECOVERY

Whole Loddon Love is bringing live music back to pubs and halls in flood-affected areas along the Loddon River this October.

The series of live music events on beautiful Dja Dja Wurrung & Barapa Barapa Country are supporting venues, musicians, event producers and crew, draw heavily from people with live music experience who reside and work in flood-affected areas, and will showcase regionally-based musicians.

The shows are free for locals, super-affordable for those travelling from outside the Loddon Valley, and feature live music from a minimum of three acts each night, including artists from the local community. Money raised at the events will be donated to local organisations chosen by the local community, to help support flood recovery.

The artists performing at **Whole Loddon Love** hold Regional Victoria close to their heart, and are all excited to be hitting up country pubs and community halls in support of the locals and each other, bringing not only a joyful and rollicking good time, but bringing together communities and acknowledging the tough times they have been through.

The Live Music for Flood Recovery Program is supported by Music Victoria and by the Victorian Government through Creative Victoria. The program has supported many events throughout 2023, from small gigs in pubs featuring local musicians, to large-scale festivals and community events, with passionate artists supporting communities and sharing music to provide a space for impacted communities to revive, recover and gather together after a tumultuous year.

2023 Junior Public Speaking competition

Last Sunday (23 July), I had the privilege of being part of the East Loddon Lions Club Junior Public Speaking competition. This competition saw talented and enthusiastic grade 3,4,5 and 6 students from East Loddon and Raywood Primary School compete to become Club Representatives, and progress to the Regional Competition.

In our rural Primary Schools, opportunities like these are difficult to access. It is programs such as these that play an important role in developing the next generation of public speakers, encouraging their confidence and speaking skills.

I would like to thank the dedication of the volunteers from the East Loddon Lions Club, teachers, judges and parents for a great afternoon. Congratulations to each and every participant for stepping up to the challenge and I wish the Club Representatives the best of luck as they progress onto the next stage.

Online farm business program helps manage risk

Agriculture Victoria is offering farmers an opportunity to participate in a free online business program designed to help farm businesses better manage risk in the face of a variable climate, particularly drought.

The online program, commencing in late July, is suitable for livestock, grains, mixed farmers, horticulturalists and apiarists.

An introductory session will be run at the end of July, followed by 5 sessions on key farm management topics, including:

- * Identifying and managing risks, strategic planning and setting business goals
- * Financial management, budgeting and profitable decision making
- * Managing people on farm, succession planning and farm safety
- * Climate risk and natural resource management
- * Business planning.

As part of completing the course, participants will be offered a one-on-one session with an experienced farm management consultant to review their business plan.
