All enjoyed their play and a beautiful afternoon tea.

The day commenced with last season's Club Champions Gillian Tweddle delivering the first Jack, and Shayne Morris delivering the first Bowl.

A roll to the envelope, which Social Bowlers had been trying to stop on over the season, had jackpotted each week, was won by Greg Smith who finished the closest on Opening Day to finalise this novelty event.

## Opening Day

**Winners:** Cliff Wood, Tony Matley (S)

**Runners-Up:** Ray Taylor, Dave Rawlins, Peter Waters (S)

The tournament being held by the Club on 1st Oct and sponsored by Berry Bowling Systems has been filled with the maximum of 22 teams entered.

# The Boort Agricultural Show & The Boort Truck Show

*Plans are well underway for the highly anticipated Boort Agricultural Show on Saturday 14th October!*

This year's program includes all the favourite events and attractions. The schedule is available online <https://linktr.ee/boortshow> or can be picked up from BRIC or IGA.

The Show will have a special feature in 2023 - the Melbourne Cup. The cup will be at Boort as a part of its regional tour. This racing theme will be showcased throughout the day with patrons eligible for fashions on the field prizes.

The Boort community can also look forward to all the traditional events such as the shearing competition, horse events, dog trials, pavilion exhibits, fireworks, and numerous rides. Food will be served all day and into the evening, with plenty of delicious options available, including burgers, paella, BBQ, coffee, ice cream etc. New events include a yabby race conducted by School Student Leadership students from Boort District school and also an amazing display of exotic motorbikes.

The 2023 Show will once again feature the Boort Truck Show, which has enhanced the vibrancy of the Show in recent years. There is once again a high level of interest from truck owners and their families from all over the State. It is certainly a sight to see all those magnificent machines surrounding Boort Park!

There have been some tweaks to the schedule. The correct photography schedule is featured opposite. Also, exhibitors are reminded that there are no longer section aggregates. Instead, there is a prize in each section for the most outstanding exhibit. Additionally, in order to make the most of the space available, there is a limit of two entries in each section. Entries are open now and we recommend emailing entry forms to [boortshow@gmail.com](mailto:boortshow@gmail.com) and paying via EFT (details available on the entry forms).

The Show Office will be open in the old Vet Surgery from 10am - 5pm on Tuesday, Wednesday, and Thursday in the lead up to the Show.

In the shadow of the pandemic and the floods of 2022, community and connections are what we know assists robust mental health. The Boort Show provides us with a genuinely inclusive community gathering.

**Don't miss out!**

# Boort Croquet Club

*On Wednesday 13th Sept the Boort Lakeside Croquet Club season was opened with a welcome from President Carmel Allison.*

Veteran member Hazel Whitmore had the honour of running the first hoop.

In the beautiful spring sun, 19 members enjoyed close competition which resulted in a five way play off for the chocolate, then had a lovely afternoon tea and a chat.

The Murray Valley pennant season has also started with Boort fielding two teams again. Both teams started strongly with a win against Charlton and Swan Hill respectively.

***On Wednesday 25th October we are having a “come and try” day as part of the Senior’s Festival***

Everyone is welcome to attend. Please contact Daryl Henderson on 0427 554265 if you are interested in coming along.

On 1st November members of Bendigo Croquet Club are joining us for a Social Day, as some of their members enjoyed playing in Boort at our tournament.

*Now the warmer weather is here, and members are returning from winter trips, we are looking forward to a busy and successful season.*

# Boort Angling Club

Spring is here. The days, nights and the water are all warming up.

If you have not already, then it's time to get your fishing gear out and check it over. School holidays are a great time to get the family together and go out around the lakes, rivers and anywhere else to catch a fish and just enjoy the outdoors.

Prior to school holidays Victorian Fishing Authority released catchable size rainbow trout (up to about 30cms) into recreational lakes around Victoria. These included 1,000 into Tchum Lake (between Wycheproof and Birchip), and 350 into the Donald Lake. This program is designed to encourage people to participate in our great sport. It is your fishing license money hard at work! If you are *not* a JUNIOR, PENSIONER or EXEMPT, then you need a fishing license to fish in Victoria.

The BAC September meeting was combined with a BBQ and some fishing at the clubrooms. As this was a great success, the next social day will be 10am - 3pm Sunday 12th November. Bring your fishing gear and chairs for a social afternoon. BBQ starts at 12pm with a meeting to follow.

Please donate \$5 per person to help cover costs of food.

Lake Boga VS BAC will be held on the 17th & 18th of February, 2024. BAC to nominate the venue.

BAC will host the 2024 Mid Northern Association of Angling Clubs Challenge on the 16th & 17th of March, 2024 at a venue to be decided closer to that date. This includes all clubs in MNAAC.

BAC will have a stand at the BOORT SHOW on Saturday 14th October. Come and chat to our members and buy some tickets in the raffle to win a Kayak and other prizes. Raffle to be drawn at the BBQ lunch at BAC rooms on Sunday 12th November.

BAC One Day Comp was held on 16th Sept at Colemans Campsite on the Loddon River.

Dave Skinner landed a 31cm Yellow Belly, Paul Webster 2 x 29cm Yellow Belly, Andrew Dean a 41cm Carp, Alan Wilson no fish. Although, the weather was good so all who attended were winners in our eyes!

Next comp will be a MIDWEEK COMP. Wed 4th Oct & Thu 5th Oct at Wooroonook Lake.

On Sat 28th Oct & Sun 29th Oct, there will be another comp on the west side of the Loddon River at the junction of the Waranga Western Channel.

# Sutton's Bus Handover

*For over 40 years Kevin and Sheryl Sutton have owned and operated Sutton's Bus Company.*

They have provided a reliable, caring, and safe service in transporting generations of students to Boort Primary School, Boort High School and now Boort District School.

Recently the business has been handed over to the next generation. Jamie and Jacinta Sutton have taken over the operation, with Kevin and Murray Chalmers still serving as the main bus drivers.

The students, staff and current families of Boort District School, and the wider Boort and district community would like to take this chance to thank Kevin and Sheryl for their years of service to our students and families.

*They have been excellent operators and have been very accommodating to the needs of the school.*

## Glass recycling bins have arrived at landfill and transfer stations across Loddon Shire

Due to Victorian Government state-wide kerbside reforms, there are major changes coming to the way we recycle glass. There are now glass disposal points across all of Council's waste facilities for residents to drop off their used glass bottles and jars for free.

Separating glass from other materials reduces contamination and allows recovery of more resources that get recycled in Victoria. Glass that can be taken to drop off points include sauce and condiment jars, wine bottles, beer bottles and glass soft drink bottles. All glass bottles must be rinsed and have corks and lids removed.

Glass that cannot be taken to drop off points includes drinking glasses, broken crockery, storage and baking ware, perfume bottles and window glass.

## Smoke Alarm Installation Program

*Only Working Smoke Alarms Save Lives!*

Recent research suggests that the number and placement of smoke alarms is more important than the type of smoke alarm technology installed.

CFA installs a smoke alarm with a 10-year lithium battery in a tamper proof chamber as they require less maintenance.

The battery does not need to be replaced over the life of the unit.

The Program does not allow for installation of hard-wired smoke alarms.
