## MAYORAL COLUMN

28 March 2025

### Significant election promise for Little Lake Boort Recreation Precinct Project

Loddon Shire Council has welcomed news of a significant election promise from the Nationals of \$950,000 to contribute to the Little Lake Boort Recreation Precinct Project, should the Coalition form Government after the 2025 federal election.

On 19 February 2025, Dr Anne Webster, Federal Member for Mallee visited Boort to announce the significant funding commitment, which represents a substantial contribution to the project.

Loddon Shire is appreciative of the financial commitment towards the project as it will help transform the Little Lake Boort foreshore into an even more vibrant and accessible space for our community and visitors to enjoy.

This project has been a key advocacy priority for Council. Investing in this precinct will not only improve the experience for locals but also attract more visitors to our region, benefiting businesses and boosting our local economy.

Delivery of this funding pledge would unlock Council's capacity to deliver an extensive overhaul of the foreshore area, with improvements to Nolan's Park, Historic Park, Boort Tennis Club and the Boort Croquet Club.

Council looks forward to working with all levels of government in delivering this project, ensuring lasting benefits for the Boort community and wider Loddon region for many years to come.

### March Council Meeting outcomes

At our March Council Meeting, Councillors considered a number of key items. The meeting outcomes included:

- Council formally adopted the Loddon Recreation, Open Space and Aquatic Strategy.
- Council resolved to begin a land use planning process to determine the most appropriate way to expand the township of Newbridge.
- Council will write to the Victorian Premier, Treasurer, Minister for Emergency Services, Leader of the Opposition, Shadow Treasurer and local MPs to advocate on behalf of our community on the Emergency Services Volunteer Fund Levy.
- Council approved the 2025/26 Annual Infrastructure Program.
- Council endorsed submission of Notices of

Motions to the National General Assembly of Local Government on behalf of the Murray River Group of Councils.
