## Achieving Excellence Together

### AUGUST WRAP UP 2025

## HOMework HERO

Earlier in August we recognised and congratulated a group of students who had shown outstanding commitment and consistency throughout all of Semester 1 with their weekly homework demands. This award is open to all students from Year 7 - 10.

These students completed all of their English and Math homework across both terms and ensured that every piece was submitted on time, each and every week.

This is a significant achievement that reflects strong organisational skills, a responsible attitude, and a dedication to their learning.

Consistently meeting deadlines and staying on top of weekly homework tasks is no small task, especially alongside other school and extracurricular commitments.

Well done to these students who have proven themselves to be excellent role models to others, and we are proud of your commitment to your education.

Each of these students received a certificate and a Zooper Dooper voucher for the school canteen.

Our Homework Heroes for Semester 1 are:

**Year 7 –**

Hayley S

**Year 8 –**

Archer L

Angel V S

**Year 9 –**

Grace B

Alena E

We look forward to celebrating even more achievement as a result of hard work from term 3.

### Vocational Major Students Present At Boort District Health:

On the last day of term two, our Vocational Major Literacy Year 11 and 12 students presented their Youth Takeover work to an audience of family, residents, Boort District Health staff, and education and LLEN workers. Many thanks to Donna, Mubarak and the staff of Boort District Health for their support over the term and also Jacinta, Sue and Claudia from the North Central LLEN for their assistance.

The students looked at the services of BDH through a Youth view, producing a series of slides about the different services provided, they updated a number of signs and infographics currently in use and also reviewed the communication strategies used Boort District Health.

# 100 DAYS OF FOUNDATION

We celebrated our 2025 Foundation class at our last whole school assembly in August and they were presented with their 100 days of Foundation certificates.

## Hockey 7s:

On Thursday students from Years 4-6 attended the Loddon Mallee Regional Finals of Hockey 7s in Swan Hill. After placing 2nd in the Sandhurst Division Final, students had been training hard at lunchtimes to develop their skills and strategies to take to this event.

It was a great day with amazing weather. Students played 3 games in their group, having 2 strong wins and a challenging loss to Spring Gully. They made it through to the final where they once again played Spring Gully PS and showed how much they had improved over the day finishing with a 0-0 draw even after 10min of extra time. Unfortunately, based on previous scores they were unsuccessful in making it through to the State Finals but they played amazingly and should be very proud of their efforts.

A big thank you to those parents who came along and helped with transport, scoring and supporting. Also a big thank you to Emily Henderson who did a great job as our umpire for the day.

## F-6 Art Show:

Under the guidance of F-6 Art teacher, Ros Lanyon, the Junior students presented their first exhibition for 2025.

Showcasing a range of artistic styles, we welcomed parents, students, family, staff and friends.

Thank you to all of those who took the time to visit our exhibition; here is a snapshot of the fantastic work that was displayed.
