BOORT OP SHOP

There has been a great clothing and shoes sale at the Op shop this month, to clear out summer stock in preparation for the changeover to Autumn & Winter stock.

Once we do the changeover, the summer stock is re-directed to a Melbourne based company that collects our excess items and re-distributes them.

In the next month, we'll be down-sizing our "Tween" range, i.e., young Tweens clothing from sizes 10 - 14, due to slow sales in this department.

Easter is a fabulous time in Boort; with once again another influx of visitors to our region. The Op Shop is always a popular place for visitors and we enjoy hearing their stories, and of course, the money they spend locally.

The Op Shop will be having their usual "Easter Egg basket", raffle. A great prize to win, particularly if you are going to spend Easter with family & friends.

Once again, a huge "Shout Out" to the volunteers @ the Op Shop. Our volunteers contribute many hours to making our little shop so successful.

To the volunteers that give their time every Thursday with sorting/pricing & merchandising, to the countless volunteers that take home baskets full of ironing to ensure our clothes are presented in prestige condition, and to those that take home "soiled" clothes to wash & remove stains etc. we are very grateful. Also, the ladies that take home items to be repaired by their husbands/partners to ensure we can sell these items, thank you.

Have a Happy Easter everyone and hopefully you are able to spend it with family & friends to create memories.

**Wishing all the local growers a
successful and smooth harvest**

BOORT DISTRICT F - 12 SCHOOL

Achieving Excellence Together

MARCH WRAP UP 2026

Boort District Health Visit:

The Year 1/2 students enjoyed a wonderful morning during their visit to Boort District Health, where they spent time colouring and decorating Easter hats for the residents. Students also had the chance to ride the smoothie bike, enthusiastically pedalling to create a delicious mango and berry smoothie. It was a joyful experience for everyone involved!

Hockey Roadshow: 🏒

Our F-6 classes were lucky to have Toby and Ben from NCHA visit and run some hockey roadshow sessions for us in the stadium! They focused on building skills and some game play and by all accounts a great time was had by all. Hockey is one of the key sports that our students are involved in during the winter months and these formative lessons provide a fun and engaging way to enter the sport.

Unit 1 Business Management Guest Speaker:

On Tuesday 3rd March, the Unit 1 Business Management class had the opportunity to listen to and engage with local entrepreneur, Norbert Herrmann.

Norbert shared with the class his international business background and experiences in undertaking a range of entrepreneurial pursuits, including providing detail on his current business, 'Lively', an event ordering platform that has serviced international stadium events including the WWE, NBA, UFC and Ed Sheeran concerts, along with Formula One Grand Prix and major hotel chains.

Students found Norbert's presentation very interesting and valuable, and were able to apply Norbert's experiences and expertise directly to their Unit 1 Business Management studies. We thank Norbert for his time on the day and also for putting together an extensive slide show for the class.

Drew Crilly

Unit 1 Business Management teacher

LMR Swimming at Swan Hill:

Congratulations to the 10 students who represented both the North Central District and BDS last week.

The senior girls came 2nd in both the medley relay and the freestyle relay.

Chaise H came 4th in all of his events, swimming a personal best in the freestyle.

Cecily F came 4th in her backstroke event.

The 16 boys came 4th in the freestyle relay.

Jake O'F and Seth M swam against very tough competition and came 6th in their respective breaststroke events.

Thank you to the parents who attended and cheered on from the sidelines.

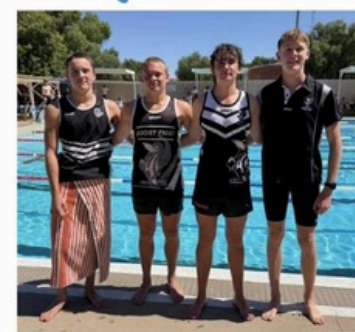

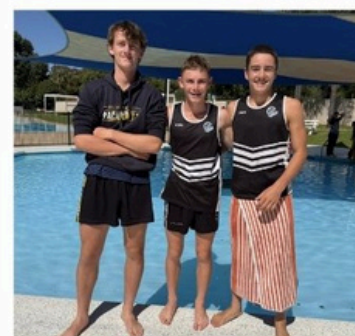

Overall, it was a great day of swimming and sportsmanship.

Year 7 Boortanica Entries:

The Year 7 Art class have completed these stunning cactus landscapes canvases.

These masterpieces will be part of the Boortanica Art Exhibition at the Easter Art Show in Memorial Hall.

Statement - Federal Government childcare/early years announcement

Published on 26 February 2026

Loddon Shire Council notes the recent announcement by the Federal Government in relation to early years education in Victoria, and specifically that the \$5 million election pledge for services in the shire will go towards the already-operating Wedderburn facility.

This announcement has caught Council by surprise, with no prior consultation or warning.

Council made representations on behalf of our community in Canberra last year as to the best use of this funding, but disappointingly this has clearly been ignored with this announcement.

This much-needed funding has instead gone towards a State Government-run facility which is already open and operating, still leaving Loddon Shire a childcare desert.

Loddon Shire is a community of communities, each with their own distinctive needs. As Council has pointed out to State and Federal Governments many times previously, many of these communities are childcare/early education deserts.

They deserve more and ignoring these service gaps risks putting our youngest residents further behind their peers in other areas.

We are also disappointed in the process which has led to this announcement, which we believe is a failure of governance. Council has not been kept informed during this process until a decision was made.

Our communities, who were looking forward to a result which would benefit local families, will be equally disappointed.

Council stands willing to help both Federal and State Government ensure that we can ease the pressure on them and future residents of one of Australia's most productive agricultural areas - an area which has huge potential, but which needs to be backed up with the types of services that will attract new residents and encourage those already here to stay.

We would welcome the opportunity to further discuss the needs of Loddon Shire's children.

They deserve nothing less.
